

The Log
1962

THE 1962 LOG

Hudson High School, Hudson, Ohio

FOREWORD

In presenting the 1962 edition of THE LOG, it is the sincere desire of the staff that our yearbook may in some way be a representation of the graduating senior class. This yearbook is a record of the good times which we have enjoyed, yet it could never begin to include all our memories of the 1961-62 school year at Hudson High.

The staff has worked diligently in order to give you a new and different yearbook in a short period of time. We hope that you will enjoy it, and we wish you, the underclassmen, much luck and happiness in the future.

DEDICATION

It is with pride that we dedicate the 1962 issue of the LOG to Mrs. Betty Campbell.

Mrs. Campbell is a veteran of twenty years of teaching here at Hudson High, and is head of the mathematics department. A graduate of Akron University, she has a Master of Arts Degree in Education from Western Reserve University.

She is active in national, state, and area teachers' organizations and is an avid sportswoman. She enjoys any sport in which she can participate.

We hope that she will continue to supply Hudson's math students with top caliber instruction for many more years.

FOREIGN EXCHANGE

STUDENT

At Hudson High School this year we have had the great privilege and experience of having Christiane Braun as a foreign exchange student from Hamburg, Germany. Her enthusiasm, vivacity, and charm have contributed much to our international understanding. When she returns to Helene-Lange Schule High School to finish up her last two years of education, we know that she will be missed greatly. Her wide range of activities and interests include swimming, tennis, dancing, music, photography, painting, languages, politics, people, and many more.

Here at Hudson she has actively participated in the Student Council, Choir, Y-Teens, Pep Club, and Drama Club. We are very proud to have her as a friend and student and know that she will have many successful years, which will include studying languages, travel, and marriage.

ADMINISTRATION

SUPERINTENDENT

To the Student Body and Log Staff:

This is the year of men in orbit around the earth, the Berlin crisis, super bombs and fall-out shelters, and a world that is almost completely unpredictable. We of the present adult generation can hardly point with pride to the world we are passing along to you. I hope you will find many of the answers in human relations that have escaped us.

I want to tell you how much I admire your poise and confidence in the future. You have gone ahead with your studies in the same spirit as Abraham Lincoln when he said, "I will study and get ready and the opportunity will come."

Congratulations on your efforts in producing a splendid 1962 LOG. In future years, may it remind Hudson students of the year of building a larger high school and a greater opportunity to prepare themselves for the challenges of the new generation.

Sincerely,

John P. McDowell

On the second Thursday of each month, you can find the Hudson Board of Education hard at work in the high school library trying to make "our good schools even better."

The search goes on for ways to keep improving the quality of instruction. With an enrollment two and a half times greater than ten years ago, the Board of Education has been busy planning for new buildings both at Evamere and Hudson High School. New teachers, textbooks, and educational supplies have to be provided. A special effort has been made to hire more teachers so that more written work could be assigned in English and all major subjects.

BOARD OF EDUCATION

First Row: Eugene D. White; Mrs. Ada C. Miller, President; Miss Gladys Parsons, Clerk.
Second Row: Charles D. Miller; James F. Hand; Harry D. Bubbs, absent.

PRINCIPAL

Seniors of 1962:

Early in the school year, mention was made of the fine example set by our senior class. As the year comes to a close, it is quite easy to see evidence of the many accomplishments of this class—excellent scholarship, sound and positive leadership, active participation in many activities, and above all the spirit of enthusiasm that the class of 1962 possesses for the future.

Opportunities for the future could be no greater. Today our people graduating from high school have the advantage of being a part of a great advanced training program. You are the foundation upon which this program is building. Your ability to stand firm and not disintegrate will lead you to further advancements in your life time.

As you leave high school to enter your chosen fields of work or further schooling, it is my sincere hope that each of you will continue to carry on in the excellent manner that you have demonstrated during your secondary school years.

Sincerely yours,

Floyd S. Benham

Last year Hudson High School was proud to send Miss Virginia Crawford, our talented and versatile art teacher, to Australia under a Fulbright Exchange Scholarship, to teach at various schools. In her absence Mr. David E. Milliss taught for a year at Hudson. She taught at Burwood Girls' High School near Sydney, Broken Hill High School in the country, and at suburban Tweed River High School. She not only instructed classes in art, but also filled in as a substitute teacher in physical education and ancient history. During her vacation she visited other parts of the country including the Great Barrier Reef and Canberra. We are sure that she gained much valuable knowledge of the country and at the same time represented our country well.

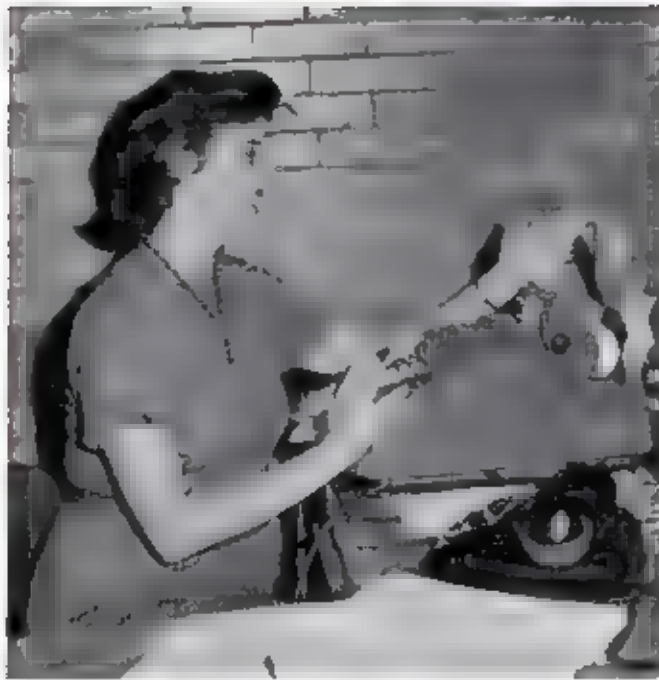

Here she is pictured with a Koala bear in Brisbane, Queensland, Australia.

BONNIE WRIGHT: Y-Teens 2, 3, 4; Teacher Assistant 4; Library Assistant 1; Drama Group 3, 4; Art Club 4; Girls' Volleyball 3, 4; Pep Club 4.

UNDERCLASSMEN

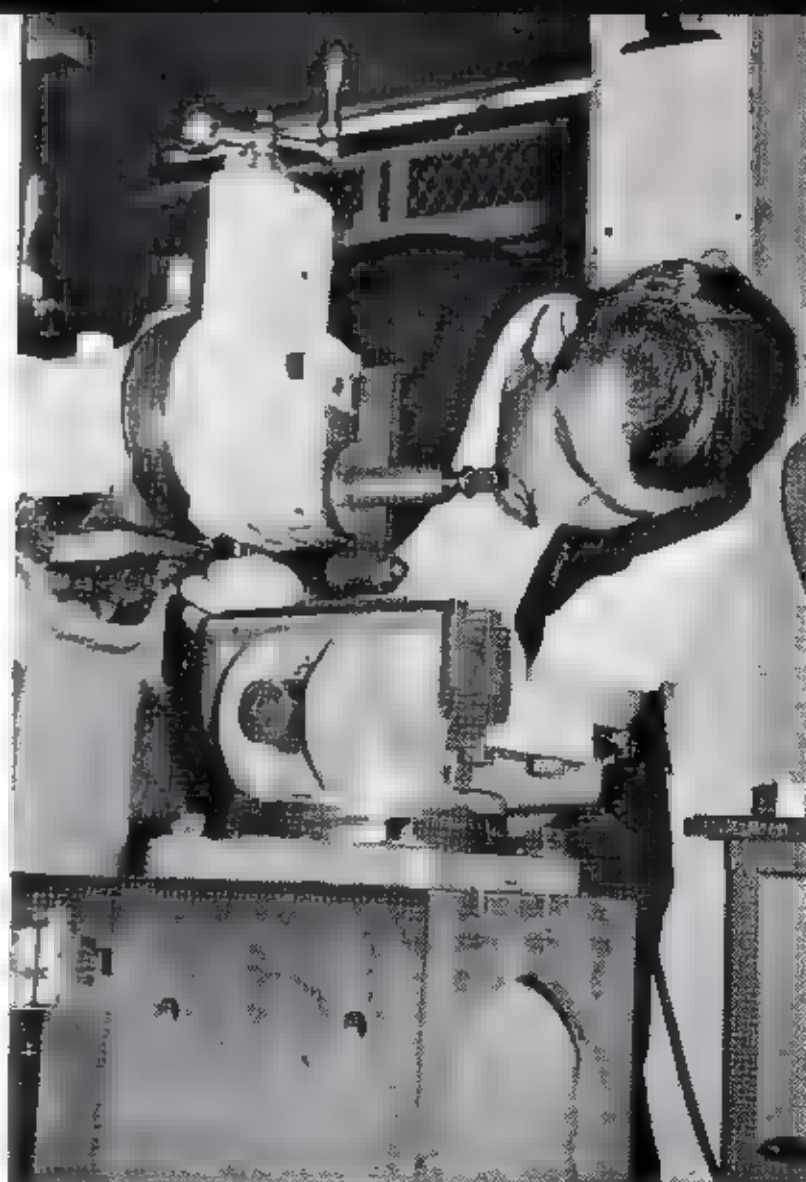

The junior class operated the concession stand in the cafeteria as a major source of income to finance their activities during this and the coming year.

In the fall they sponsored the annual Pigskin Prom as well as several after-game dances.

During the spring, the juniors were hosts to the seniors and the faculty for the annual Junior-Senior Prom.

They closed their activities for the year when they presented each senior with a red rose during the graduation ceremony in June.

The Freshman Class worked diligently collecting tax stamps during the first semester to beat the December 31 deadline set by the state. Representatives from freshman home rooms formed a committee to sort and count the stamps; proceeds went into the class treasury. Class members celebrated with a Christmas dance enjoyed by many.

During the second semester Freshman Dancing Class was the main activity. Under the direction of Miss Vicki York of the Arthur Murray Dance Studios, students learned the jitterbug, the cha-cha, and the new "Twist," and closed the weekly sessions with another party.

LOG STAFF

STAFF HEADS—*First Row:* Barb Cherney, Lana Ryan, Kathleen Christman. *Second Row:* Esther Davenport, Steve Semegen, Nebby Barr.

We, the sixty-five members of the 1962 LOG Staff, have worked extra hard this year to give you a yearbook of the best quality. There have been many areas to cover, everything from taking subscriptions to the actual planning of the LOG. We hope that we have succeeded in producing a yearbook that you, the students of Hudson High, will thoroughly enjoy.

Staff

Subscription Salesmen

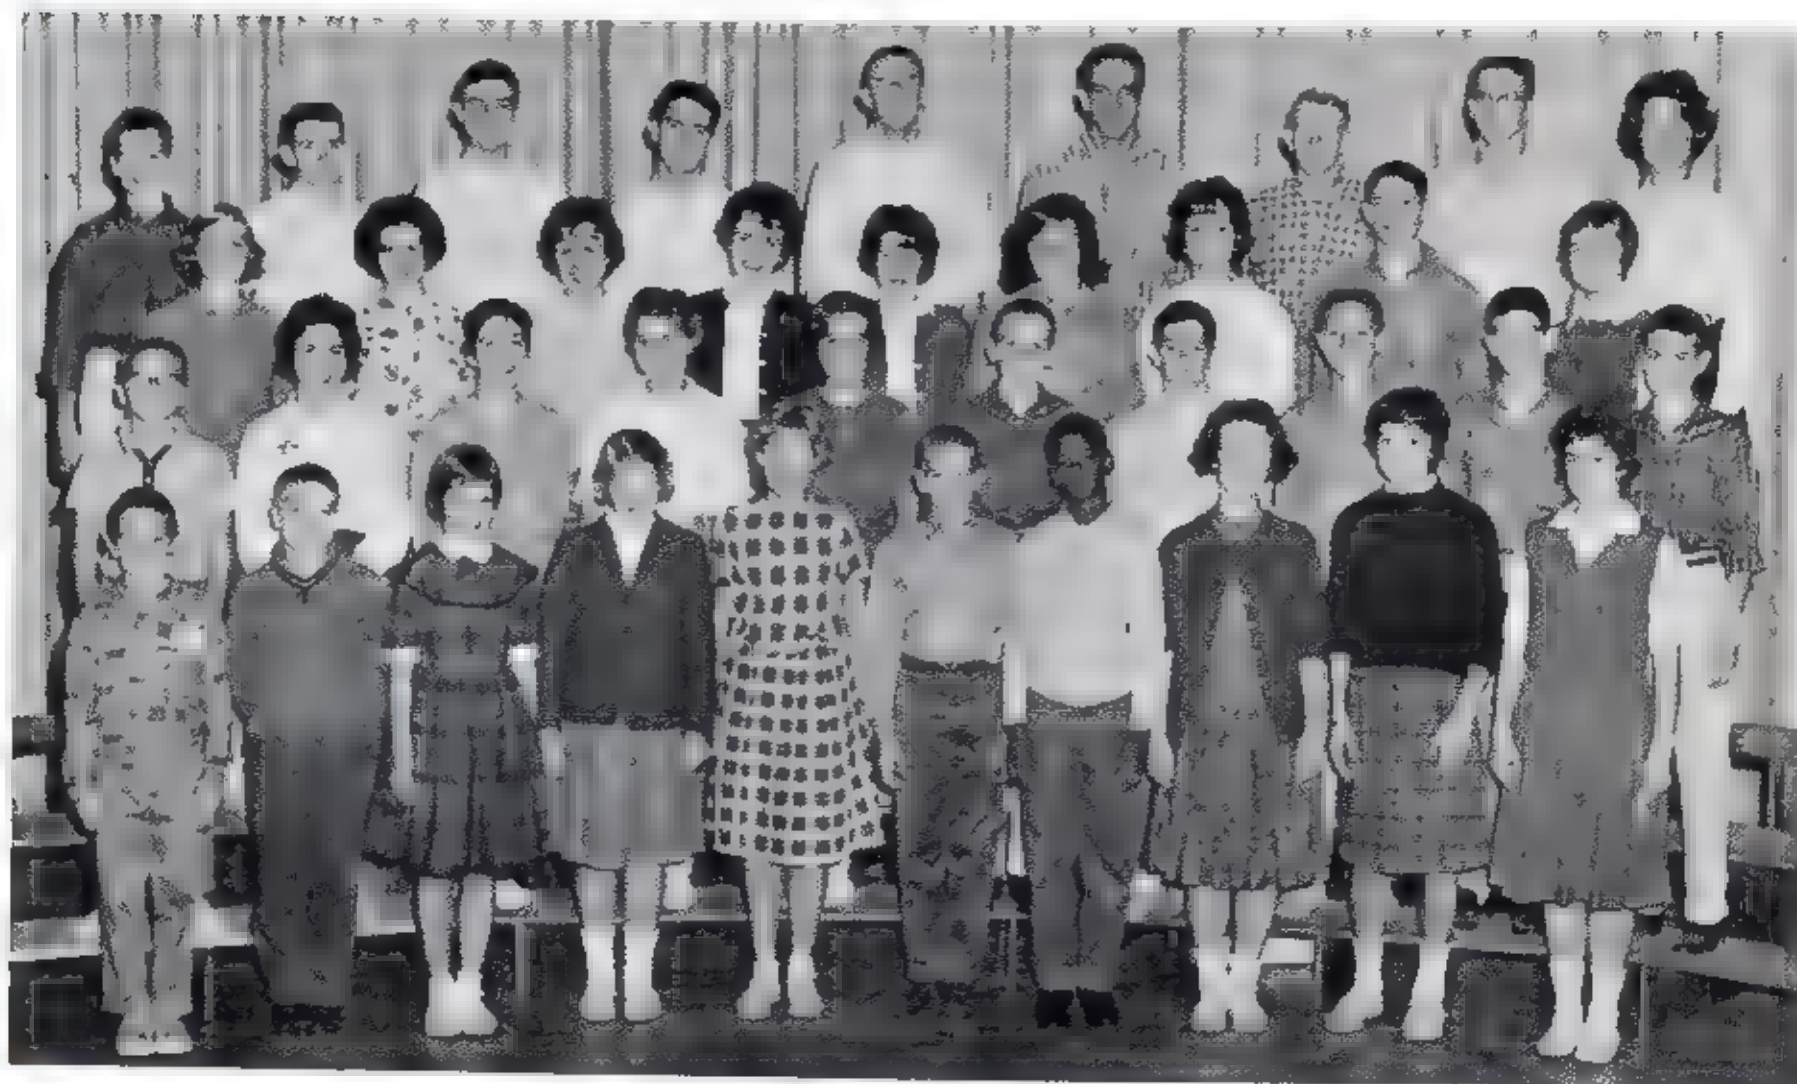

Marilyn Peak, Secretary; Joan Bennett, Treasurer; Ned Luce, President; Ron Dade, Vice President.

In addition to its regular functions, the 1961-1962 student council supervised the installation of a junior-senior student lounge in the foyer of the auditorium. This was their most permanent accomplishment.

They also performed the regular council functions: the magazine drive (topping all previous totals); supervision of individual pictures; Back-to-School, Fun-vs.-Vandalism, and Flunk-and-Forget-It dances; Homecoming festivities; the Turkey Day race; the Christmas Sharing project; noon movies; student elections; foreign exchange support; and the monitor system.

STUDENT

COUNCIL

PEP CLUB

New Members

Y-TEENS

The Y-Teen organization is a club for senior-high girls. The purposes and goals of the group are personal growth, growth in friendship, and religious and spiritual growth. The Hudson chapter also seeks to help build a better community and school.

In order to fulfill these purposes, the Hudson Y-Teens donated gifts to orphan children, and presented a gift to the school.

Other Y-Teen activities this year included planned monthly meetings, weekly cabinet meetings, basketball and volleyball, sponsorship of the Christmas Formal, participation in the Thanksgiving and Christmas assemblies, the annual Mother and Daughter program, and co-operation in the Akron Area Spring Formal.

Old Members

Old Members

Cabinet

KEY CLUB

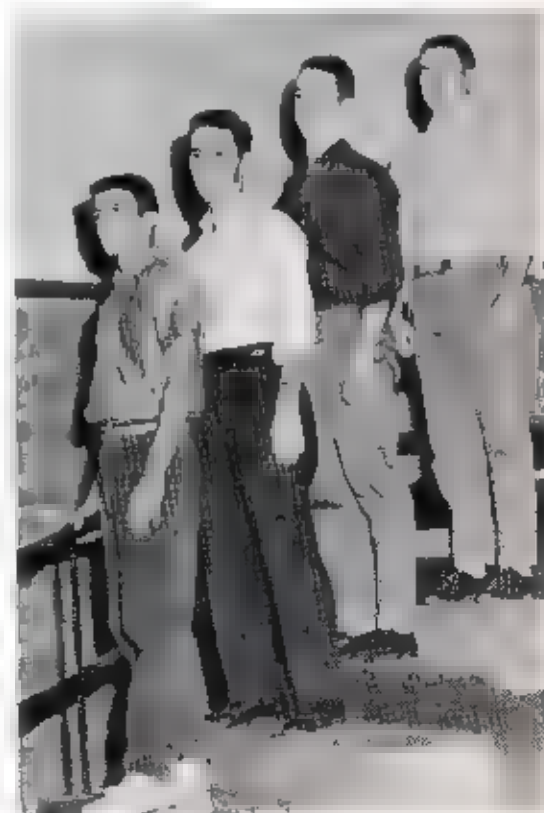

The objectives of Key Club International are the building of home, school, and community, service to the nation and God, and combating the forces which tend to undermine these institutions. Being a strictly non-profit organization, all proceeds of its projects are donated to charity.

As part of a great service organization the Hudson Chapter of Key Club International assisted in painting the Student Lounge, planted trees with the Garden Club, donated canned foods for the Student Council Christmas project, and provided patrolmen for the home football games.

The Key Club also had four dinner and five recreational meetings during the past school year.

Tom Watts, President; John Polovick, Secretary; Hal Kummerow, Treasurer; Ned Luce, Vice President.

This year students interested in gaining a little more experience in outside art work formed an art club. They gave their time and effort to improve the caliber of their work.

The club met every Friday at 3:15 and Sunday at 2:30 either outside for sketching or in the art room for special projects.

Members experienced more valuable forms of art as well as producing more qualitative work.

ART CLUB

Ron Fenn, Treasurer; Dick Tomlinson, Secretary; John Polovick, President, Stan Caniglia, Vice President.

SCIENCE CLUB

The Science Club was formed to give an opportunity to work on group or individual projects. Members presented lectures and demonstrations at the after-school meetings.

The club took several field trips to laboratories and other places of interest and occasionally industrial scientists gave demonstrations or lectures to the club.

FTA

Members of the Future Teachers of America at Hudson High this year, as in past years, substituted for regular teachers when it was necessary for the teachers to be absent from school.

The purpose of the group is to provide first-hand teaching experience for those who are interested in a teaching career.

Members must maintain a B average. They teach at both the elementary schools and the high school.

DRAMA CLUB

The Hudson High School Drama Club, this year under the direction of Mr. Richard Fawcett, was much more active than it has been in past years.

In addition to presenting *The Diary of Anne Frank* last fall and an original musical in collaboration with the band and choir, they held several business meetings and planned several program meetings in the spring.

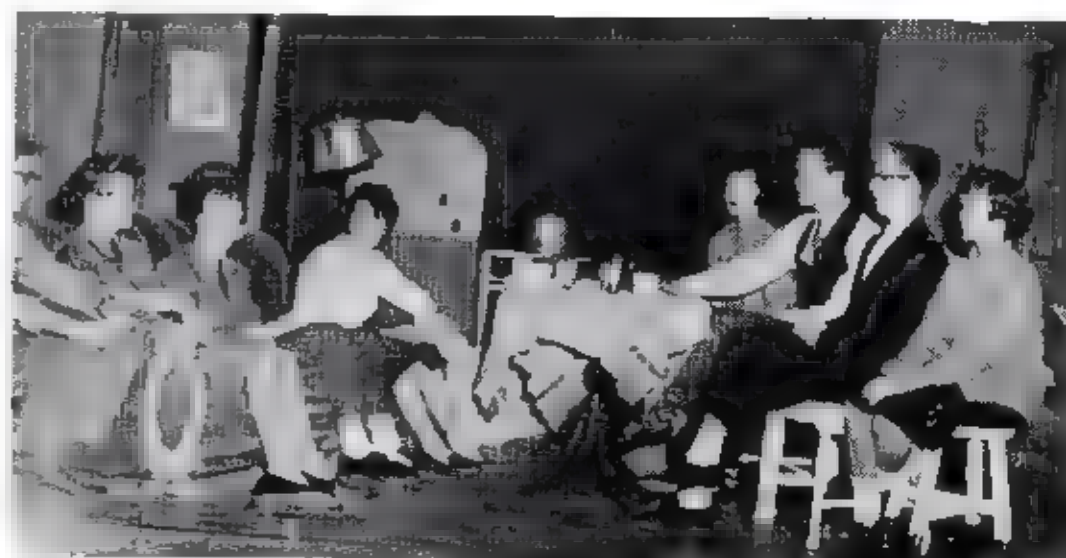

All work on club productions was done by club members.

Some of the club's eighty members attended a drama clinic at Kent State University on February 3, where they attended lectures and demonstrations on make-up, acting, publicity, etc., and saw a short play.

They also attended a play given in the spring by Kent State students.

Painting is Easier
WITH
Penetrol
QUALITY PAINT ADDITIVE

● makes paint flow on quicker with less effort
● makes brushes slide with silk-like smoothness
● gives paint more even-coated mileage on old and new surfaces

● assures better painting results in any weather
● maintains original full quality of paint
● reinforces paint against blistering, peeling, cracking

Buy PENETROL for Superlative Paint Performance!
